Esholt

The Woolpack was used as the exterior of the Woolpack in Emmerdale. This arrangement was far from amicable and culminated in Monk Bretton renouncing the Cluniac order and becoming a Benedictine house. The choir was therefore allowed to fall into ruin.

Richard III Society

The plan was a resounding success for all parties. The prioress Isabella de Berghby and her sub prioress seem to have had a disagreement. One of the oldest buildings in the village is Esholt Old Hall which is in style and was probably built in the with a defensive moat.

Richard III Society

During the early part of the twentieth century two effigies were found, said to be two of the early Lords of Middleham.

Esholt

Other discoveries have included a stone lined grave complete with skeleton under the floor of the church.

Esholt

The foundation was confirmed by Henry II. This was in dispute between supporters of the Roman method of dating and the Celtic method.

Esholt Priory

The building continued for a further 130 years. This church was never part of the Abbey but a lay church. To assist in these troubles the Priory was made exempt from royal taxation.

Esholt Priory

The subjects for these are taken from the Old Testament on the north side, and the New on the south side. This section contains only a very few of their number. Esholt Woolpack was once the Commercial Inn but due to tourists visiting the name was changed to the Woolpack to match the fictional pub in the Emmerdale story.
