This is a must read book — highly commended to all Western Christians.

Book Response: Foolishness to the Greeks, by Lesslie Newbigin

To get your own copy,. Christ crucified is viewed in our modern culture as foolishness. His engagement with science and his critique of different types of biblical interpretation and the types of traps that they lead to were helpful as well.

Admin

We have already seen the sad results of a previous attempt to do this in the nineteenth century. Likewise, Newbigin claims that prevailing political views fail to account for human teleology. May show signs of minor shelf wear and contain limited notes and highlighting.

Unto the Greeks Foolishness

To this situation, Newbigin, the Church of Scotland missionary who was one of the first bishops in the Church of South India, brings fresh cross-cultural lens through which he casts a vision of a genuine missionary encounter between the Gospel of Christ and modern Western culture. What I found instead was a thorou I recently took an ecclesiology class where my professor quoted Newbigin often and urged us to read everything that he wrote.

Foolishness to the Greeks: The Gospel and Western Culture by Lesslie Newbigin

It is only through praxis that the gospel can be known as the community grows deeper into the imperfect and ever-developing knowledge of the living and active God. It calls for an intellectually rigorous apologetic that expounds the plausibility of the Biblical worldview, as well as an unapologetic witness to divine revelation through the vibrant life of the Church community.

1 Corinthians 1:23 but we preach Christ crucified, a stumbling block to Jews and foolishness to Gentiles,

Name the issue, and give it to God.

Foolishness to the Greeks by Newbigin, Lesslie

So, what does God think about all this? The result is a very profound study. There were problems with Corinth, however. Much like Hellenistic civilization at the zenith of its influence, modern Western civilization is the most pervasive and persuasive contemporary culture in the world today.
