Soldiers of the new type of war; terrorists, guerrilla groups, or propagandists may be operating in various parts of the country they choose to attack. It was a commune of middle-class farmers who had relatively small acreage, primarily growing wheat. There were nine flour mills, and iron foundry, a plumbing shop, four paint shops, six cabinet shops, 49 woodworking shops and 29 blacksmiths.

I am humbled to be a result of their choices and the resulting mass immigration and colonization of not only one country but two: Russia and the United States. Victories and defeats matter mostly from the point of view of their psychological impact. Politico-strategic complexity of a conflict become overwhelming.
