**ME**

For the empire, the less aware we are of the logic that upholds it, the better. This happens when the three suns of the planet align and their combined radiation emissions deactivate all technology on the planet, like the EMP effect of a nuclear explosion. Lexor is generally regarded as a liar and a coward.

## Apocalyptic Preaching

Her main adversary is Virulina. Voiced by Heskedor — An ancient crone living in an isolated cave. The Spectral Knights manage to catch on to Darkstorm's scheme and Witterquick confronts Heskedor in her cave, forcing her to hand over an antidote that successfully changes Leoric back.

**ME**

Later, however, he and his fellow Khemirite, Mana, helped the Spectral Knights escape and regain their totem powers.

## Apocalyptic Preaching

Darkstorm tries to turn the situation to his advantage and, after an initial attempt to enlist Feryl in the Darkling Lords fails, lures Leoric into a trap by making him think Feryl's life is in danger. As long as we let the world, instead of the gospel, narrate who we are, we are complicit in our slavery to empire.
