The Ancient Philosophy of the Bhagavad Gita, Song of God

Krishna reminds Arjuna: I am equally present in all beings There are none hateful or dear to my heart strings. When goodness grows weak When evil increases I make myself a body. A man who can practise what the Indians call Jnana yoga the metaphysical discipline of discrimination between the real and the apparent asks for nothing more.

Chapter 18, Verse 1

In the exposition of the divine and demonic paths, examples are given of the behaviors and intentions for each. Teaches the Practice of Yog The Bhagavad Gita is not content with providing a lofty philosophical understanding; it also describes clear-cut techniques for implementing its spiritual precepts for everyday life. In making this translation, three of them have been consulted throughout-Shankara, Sridhara Swami and Madhusudana Saraswati.
