Shroud of Turin Shroud of Jacques de Molay

It appeared in the family of a senior Templar, a family who had been called in to nurse the tortured Templars back to some sort of fitness to enable them to make verbal confessions. Pages contain marginal notes, underlining, and or highlighting.

The Second Messiah: Templars, The Turin Shroud, and the Great Secret of Freemasonry

It shows faint but distinctive sepia images of the front and back of a man with his hands folded across his groin.

The second Messiah : Templars, the Turin shroud, and the great secret of Freemasonry. : Knight, Christopher, 1950

Christians have no knowledge of the anatomy of their soul, how to heal themselves or others or anything else of a spiritual nature. In The Second Messiah, authors Knight and Lomas, who are Freemasons, build a meticulous case against this theory. In fourteenth century France only Knights Templar were required to wear their hair and beard long in the fashion of the man of the shroud.

The Templars and the Shroud of Turin

In writing the book we were not interested in the shroud but found the circumstances quite by accident whilst researching Fall of the Knights Templar.

The Second Messiah by Christopher Knight

This book explores the possibility of it being the burial shroud of Templar Grand Master, Jacques de Molay. It may have marks on or in it, and may show other signs of previous use or shelf wear. For those who do not know, the Templar Knights are the origins of today's freemasonry.

The second Messiah : Templars, the Turin shroud, and the great secret of Freemasonry. : Knight, Christopher, 1950

Upon reaching the 33rd degree this now a days is much different from the original rank where spiritual knowledge was obtained and the 33 degrees represented the spinal column and the kundalini , the Freemason is usually invited to join the Illuminati, a communist organization with the goals of a Jewish run New World Order. They speculate that his torture consisted of his arms and legs being nailed in a manner similar to crucifixion, possibly to a large wooden door. The abili I am a big fan of these authors.
