### Where are Ashkenazi Jews from? Their Origins May Surprise You

When I finally got serious about Christianity, and did so through the Catholic church, I was well aware of the fact that whatever negative thing one might say about Catholicism, it could not be accused of the anti-intellectualism and chicanery that came with TV evangelism.

### Jew

His fear, that his friends would break their promise and be lost to the Jewish community, is implicit.

### Jewish Population in the United States by State

Beware the leaven of the Pharisees.

### Urban Dictionary: jew

We confirm the notion that the Ashkenazi, North African, and Sephardi Jews share substantial genetic ancestry and that they derive it from Middle Eastern and European populations, with no indication of a detectable Khazar contribution to their genetic origins.
