was born out of wedlock into the cold arms of poverty. Throwing money at problems through huge budgetary provisions and declaration of state of emergency to address current security challenges facing the country may appear administratively justifiable but if the fundamental issue of the logistic and behavioural integrity of those individuals that operate the system are not seriously and holistically addressed, in the long run, the measures may not produce the desired result. Author: EgoAlowes, Jimanze Publisher: Safari Books Ltd ISBN: 9789785478501 Category: Social Science Page: 308 View: 764 The underlying assumption of this work is that of all the epidemics afflicting Nigerian, and nay African people, ignorance is the most prevalent and deadliest.
