POLICIES TO PROTECT YOUNG PEOPLE As the number of states who have legalized marijuana in some form continues to grow, it is essential to put policies in place that prevent and restrict use among youth. Those who had lifetime MDE were asked if they had a period of time in the past 12 months when they felt depressed or lost interest or pleasure in daily activities for 2 weeks or longer, and they reported that they had some of their other lifetime MDE symptoms in the past 12 months.
