The Foolishness Of God?

We are weak, but you are strong. I recommend it to many people that I talk theology with, and has shaped my thought significantly.

1 Corinthians 1:25 For the foolishness of God is wiser than man's wisdom, and the weakness of God is stronger than man's strength.

This is a shocking affront to the way the world does business, but it is also the way of the cross. Attempts to pit science and religion against each other create controversy where none needs to exist. God cannot sin; therefore, He cannot think foolishly or act foolishly.

The Foolishness Of God?

We gold-plate it and wear it around our necks.

The Foolishness of God
