Science et politique des pêches en Afrique occidentale française (1900

Such practice is contested by other development actors, which, on the contrary, want to support the quality upgrading of national firms.

National science policies in Africa : situation and future outlook = Politiques scientifiques nationales en Afrique : situation et perspectives (Unesco): 1974 | 書誌詳細 | 国立国会図書館サーチ

Par ailleurs, sa stratégie en matière de politique scientifique de ce pays, votée un peu plus tôt cette année, n'a que récemment été traduits en portugais et en anglais. Cette revue pluridisciplinaire comprend des thématiques spéciales réserves marines et protection des espèces migratoires , AMP et changement climatique , etc.

L'Afrique veut réaliser sa révolution scientifique

Muslim associations are calling for the creation of an observatory on secularity. Mais le pays s'attaquera-t-il aux inégalités sociales? Over the last decade, Cameroon has invested great efforts to preserve its rich biological heritage.

PAS

. It is true that each state has the sovereign right to design and pursue her development objectives as she deems fit but in recent years, the modus of development opted for by each state is no longer a thing reserved within her exclusive purview, but one that attracts the general attention of.
