

# Synthesis and reactions of some novel pyrylium salts.

University of East Anglia - From simple Katritzky salts to AIEgens: mechanochromic luminescence and heparin detection

Description: -

-Synthesis and reactions of some novel pyrylium salts.

-Synthesis and reactions of some novel pyrylium salts.

Notes: Thesis (Ph.D.) - University of East Anglia, School of Chemical Sciences, 1982.

This edition was published in 1982

Hence, the reaction of imidazole or benzimidazole derivatives with 2-bromoacetophenones and TEA in the presence of a catalytic amount of n-tetrabutylammonium bromide TBAB in refluxing anhydrous acetonitrile MeCN provided ketones 1a— 1g in good yields 60—70%.

### Pyridinium ylides derived from pyryliums and amines and a novel rearrangement of 1

The spectrum presented in panel a corresponds to the AGKQLEDGRTLSD peptide tagged at Lys moiety, while the spectrum in panel b —to the unmodified peptide. .

### Chemistry of Heterocyclic Compounds 2001 Volume 37 [PDF]

Inhibition of the Warburg effect with a natural compound reveals a novel measurement for determining the metastatic potential of breast cancers. Other signals in spectra presented below were identified as a typical fragments appearing from the cleavage of peptide bonds.

### Bio

Derivatization of combinatorial libraries of peptides Peptide combinatorial libraries were prepared according to the standard split and mix method.
