**Reminiscences Of The Cuban Revolutionary War.. : Ortiz,victoria(tr.) : Free Download, Borrow, and Streaming : Internet Archive**

It is written with his unique short, descriptive sentences and you are quickly drawn in to the accounts on offer. You can use this option as many times as you see fit.

**Reminiscences of the Cuban Revolutionary War by Ernesto Che Guevara**

Che spares no details with how difficult it was living in the forest for months at time and the sad deaths and sacrifices endured by all, especially the peasants of Cuba, who were initially afraid to assist or join the cause. Nobody is ready to surrender, fellow men are getting hit and there is high casualty on the other side as well.

**REMINISCENCES OF THE CUBAN REVOLUTIONARY WAR AUTHORIZED EDITION CHE GUEVARA**

According to him, the only thing that Cuba can export is their political and economical state. Our library is the biggest of these that have literally hundreds of thousands of different products represented. Although this book lacks a considerable amount of stand out anecdotes, there is a story about a puppy that will tug on the heart strings and a few tales of individual acts of bravery that you will have no choice but to admire.

## Monthly Review

This book is a great look into the real life of soldiers during their every day struggle to liberate their country. Well, I was very excited to read this book. Having just returned from a weeks tour of the northern half of Cuba I wanted to gain a further insight into the background of the Cuban Revolution as seen through the eyes of Che Guevara.
