World Report 2019: Uganda

This inclusive approach ensures that citizens enjoy a participatory style of governing and that leaders also benefit from the views of their constituents. Immediately after he came to power, Amin ordered Acholi and Langi soldiers, who constituted the backbone of the army, to surrender their arms. Lake Kyoga forms both a physical and linguistic marker.

NewsNow: Ugandan Politics news

In partnership with civil society organizations, USAID works to promote effective citizen participation. The current president Yoweri Museveni has been in office since 1985, when the National Resistance Army rebels took over Kampala and seized power.
