## Tennessee in the American Civil War

Napier, Preston Taylor, and Richard H. The Leagues then began terrorizing whites remorselessly and had a profound impact on the cultural development of their white neighbors. The Republican Radicals were thorough in their disfranchisement of white Southerners, and allowed their constituent governors to run rampantly unchecked under the Grant presidential administration, most notably in Louisiana, Mississippi, South

Carolina, and Texas.

### **Education Outreach: Civil War and Reconstruction**

Almost 800 African American men served as state legislators around the South with African Americans at one time making up a majority in the South Carolina House of Representatives. The centrality of the question of slavery to the secession movement was not doubted by people at the time of the Civil War, nor was it ignored by the contemporary press. In the immediate aftermath of Confederate defeat, northerners and southerners alike widely recognized two clear-cut consequences of the Federal victory in the Civil War.
