The Secret What Great Leaders Know

Either that, or one of the villains, because they seemed far more interesting. Most companies avoid failure like the plague.

The True Secret to Great Leadership and How to Do It

And who better to answer that question than the team of Ken Blanchard, whose books on leadership have sold over 20 million copies, and Mark Miller, who worked his way up from line worker to vice president of one of the largest fast food chains in the country. The authors get at the heart of what makes a leader successful in this classic business fable.
