Republicans strongly oppose that bill, which would require a simple majority, and may try to stop both.

Packing the U.S. Senate

Cumulatively across these areas, the Framework invests two-thirds of the resources that the President proposed in his American Jobs Plan. This apportionment shows how out of whack the current Senate has become. The three programs that cut poverty most — stimulus checks, increased food stamps and expanded unemployment insurance — have ended or are scheduled to soon revert to their prepandemic size.
