### Jewish Identity of Mary : University of Dayton, Ohio

This title was probably given to , a idol and goddess worshipped in ancient Israel and Judah. But three central theses on prayer that Thomas developed here help us begin to gauge the importance of these four Marian invocations.

### Queen of Heaven

To understand what seems to be a rather casual first appearance of Mary in Scripture, we need to place Matthew 1:16 in the context of the whole of Mathew's first chapter and pull in John 1:1-5.

### Invoking Mary as Helper in Dire Need

Peter significantly replied with and for all: 'If therefore it might come to pass before the power of thy grace, it hath appeared right to us thy servants that, as thou, having overcome death dost reign in glory, so thou shouldst raise up the body of thy mother and take her with thee rejoicing into heaven. She treasures things in her heart and reflects on them. At her Son's word, before 'this first of his signs' she shows her faith.

### Lutheran Marian Theology

Part of the reason for this new interest are still open questions on the relationship between Christian and non-Christian religions, between theological and moral, infused and acquired virtues, between grace and nature. However, through the spiritual intervention of God in her life, she becomes a person in terms of her religious vocation.

### Lutheran Marian Theology

The of Our Lady Queen of Poland is celebrated on. Man gewährt einer Jungfrau von da an, wo der Mann sie zur Hochzeit aufgefordert hat, zwölf Monate, um ihre Ausstattung zu besorgen; und wie man der Frau diese Zeit gewährt, so gewährt man sie auch ihrem Mann falls er von seiner Braut zur Heimführung aufgefordert wird , um seine Ausstattung zu besorgen. Luke informs us that on the occasion of the census ordered by the Roman authorities, Mary went with Joseph to Bethlehem.

## **Queen of Heaven**

The veneration of Mary as queen continues into the 21st Century, but artistic expressions do not have the leading role as in previous times. Artworks, including paintings, mosaics and carvings of the coronation of Mary as Queen of Heaven, became increasingly popular from the 13th century onward.
