### **Micro, Small and Medium Enterprises (MSME): The Importance in Indian Economy**

However, the proportion of companies providing training to all employees has declined 25% in 2001.

### **Micro, Small and Medium Enterprises (MSME): The Importance in Indian Economy**

Reduced employee turnover — staff are more likely to feel valued if they are invested in and therefore, less likely to change employers. At Accenture, we embrace our responsibility to engage proactively with the businesses in the communities in which we live and work. Fill them out to get the report at the end of the process.

### **Business Development Services (BDS) (ENTERPRISES)**

Consider contracting with teachers from your local public schools and community colleges. We learned a lot while developing and updating the training and development programs at Mirage and Wynn resorts. Guidelines, Good Practices, and Toolkits: Guidelines, good practices and toolkits help inform financial inclusion policymaking and evaluations.

### **Micro, Small and Medium Enterprises (MSME): The Importance in Indian Economy**

On the other hand, SMEs in transport and communication 68% and in the business, hotels and restaurants sector 67% are more likely than average to offer training.

### **The Importance of Training and Development in the Workplace**

Note that however a significant proportion of MSME subcontracting and ancillarisation are informal in nature.
