International Journal of Drug Policy

URL: 28 See also: Kaspersen A. Notwithstanding statistics from the United Nations Office on Drugs and Crime UNODC that pointed to declines in the global production of cocaine and heroin, anti-drug efforts should be intensified.

Successful Fight against Drug Trafficking, Transnational Organized Crime Requires Interlocking National, Regional, International Strategies, Third Committee Told

Meanwhile, the expected unilateral nature of other limited attempts to prevent emerging technology transfer and proliferation to opponents new COCOMs may cause some major international trade turbulences and other negative effects.

How Drug Trafficking Operates, Corrupts in Central America

Preventive actions, and possibly sanctions, were needed. Paradoxically, in the current geopolitical setting an important factor of success in all these areas should be the depoliticization and moderate alienation of actions from official diplomatic and, especially, security institutions.

Strategy to Combat Transnational Organized Crime: Disrupt Drug Trafficking and Its Facilitation of Other Transnational Threats

Sri Lanka had fallen victim to dangerous forms of maritime terrorism.

Countering Terrorism

The asymmetry is built along the following lines, as described in the chart click on image to see larger view.

Money Laundering and Terrorist Financing: A Global Threat

Growing delegation of decision-making to machines in defense, and in future also in FP and other areas contains some other international challenges.

DEA releases 2019 National Drug Threat Assessment

Turning to the issue of illicit drugs, he welcomed the Political Declaration and Plan of Action adopted at the fifty-second session of the Commission on Narcotic Drugs. His delegation noted with special concern the ever more obvious links between the illicit drug trade and other human tragedies, such as human trafficking, the proliferation of small arms, organized crime and terrorism. It might be explained as a willingness and ability of an inferior weaker adversary to apply all its strength available against softest points of a superior stronger adversary for the sake of accomplishment of the desired strategic ends by delivering any physical, political, economic and mass psychological damage or disruption possible to a latter side.

Successful Fight against Drug Trafficking, Transnational Organized Crime Requires Interlocking National, Regional, International Strategies, Third Committee Told

Sierra Leone had enacted several acts aimed at money-laundering, drug control and human trafficking. Another basis for the realist theory is the idea of a balance of power and the anarchic nature of the global system as there is no effective global government and the world system is anomic without rules. Maine 17-A MRSA §1107 Schedules fentanyl powder as a schedule W drug.
