Medical Services Plan

This current consolidation is an unofficial version of B. The subsequent bill is an invoice, and tax is payable under subsection 152.1 of the Act, as outlined in paragraph 4 of this memorandum. More information is available on how to manage the taxes on an invoice from the.

Invoices (GST 300)

NATIONAL CODING SYSTEM FILE NUMBER S 11630-7 EFFECTIVE DATE January 27, 1994 - This policy statement further clarifies the Department's position on this matter. This section authorizes a supplier to sue a purchaser where certain requirements have been met and does not involve the Department. You must print out the forms to use them.

Ministry of Forests, Lands and Natural Resource Operations

A cumulative Table of Legislative Changes is published in the Annual Bound Statutes. Statistical report on the health of Canadians: Prepared by the Federal, Provincial and Territorial Advisory Committee on Population Health.

Invoices

Tax is generally collectible by the supplier at the same time that it is payable by the recipient. The Queen's Printer also provides publishing, distribution and printing services to government ministries, the public sector and publicly-funded authors and agencies.

Invoice policy: FOI release

Is there a user guide available for the Table of Legislative Changes? Every four months, approximately, new regulations of general public interest and amendments to existing regulations are published by the Queen's Printer in looseleaf format on watermarked paper. If you would like to add any forms to this standing offer list, please call Technology Support Centre IMGSERV at 250 387-8418.
