(PDF) "The Duty to Resist: The Magdeburg Confession and the Reframing of Romans 13." In *Caritas et Reformatio: Essays on the Church and Society in Honor of Carter Lindberg on his Sixty*

An Early Draft of Locke's Essay, edited by R. These familiar things also have properties. The aim of Aristotelian science is to discover the essences of natural kinds.

The Works, vol. 1 An Essay concerning Human Understanding Part 1

This is a strong indication that Locke thinks issues about language were of considerable importance in attaining knowledge.

The Works, vol. 1 An Essay concerning Human Understanding Part 1

Ithaca ; London : Cornell University Press, 1990.

### **Essays on the Law of Nature (豆瓣)**

We cannot create simple ideas, we can only get them from experience. Britannica does not currently have an essay on the latin text with a directory page. During these last eight years of his life, Locke was asthmatic, and he suffered so much from it that he could only bear the smoke of London during the four warmer months of the year.
