Weapon Box: Inside the left entrance of the south side of the Eight Gates Formation. RARE Second printing of the FIRST EDITION. But really they're all one big package.

Cao Ren

Wei reinforcements led by Xiahou Dun and Sima Yi attempt to restart the flood attack but are defeated. Yuan Shao became afraid and did not dare to send out his troops.

Fan Castle

Sima Yi apparently read Wu well, because that jealousy and greed came through for them, securing Wei's border and killing Guan Yu.

Cao Pi

Weapon Box: On the north west corner on the top of Chencang Castle's wall. Defeat him and fight off the other soldiers while you wait for the siege ramp to be set up.
