Melalui usahanya ini, jaringan intelektual dan harmonisasi fiqh dan kalam, mereka tidak hanya mengatasi persoalan lokal tetapi juga melengkapinya dengan seperangkat intelektual untuk mendorong batas-batas dalam tradisi Sunni di abad pertengahan. Aḥādīth is the plural form of ḥadīth in Arabic. As we already know that Islamic theology and belief was based on arguments and evidence, it is important to also realise the necessity of knowing the methods and inference.
