Leros

The aircrafts used are ATR43 and Dash 8s with a seating capacity of 50 and 38 passengers, respectively. A walk along the narrow paths allows discovering many traditional Greek caf  s, water fountains and the windmills. Time it right for no issues.

Leros

In the years that followed, Leros changed rulers until it was liberated from the Persians by Alexander the Great, whose presence marks the transition from the classical to the Hellenistic era, proved by tombstones with Macedonian names and coins.

Dodecanese campaign

Finally, definitely pay a visit to the beach of Pandeli, just 2 kilometers south of the capital of Leros.

Ancient Heroes

At least some of the stones from the temple were eventually used in construction of other buildings. After continuous and violent bombarding, the battle ended on the 16th November, 1943 victoriously for the German army. In the of 1919, the island was to be returned to Greece, along with all of the Dodecanese except Rhodes, but after the Greek defeat in the , Italy canceled the agreement.
