Their achievement should be recognised and recorded in special certificates. Stanford CA : Stanford University Press. Unsourced material may be challenged and removed.

Gifted Education Policies for New York

Yet, they may come to doubt their knowledge and judgment when faced with critical reactions. Not only do they challenge students academically, they provide an opportunity to develop skills in leadership and group dynamics.

Profiles of the gifted and talented

Jacobs and Borland 1986 found that gifted students benefit greatly from curriculum experiences that cross or go beyond traditional content areas, particularly when they are encouraged to acquire an integrated understanding of knowledge and the structure of the disciplines. It can also be used to develop appropriate educational goals for the gifted.
