Chinese economic reform

Bureaucratic restructuring in reforming China: A redistribution of political power.

China Unbound

Harmony and development: ASEAN-China relations. People say China seeks to use its strong economic power to dominate the world, and that as it extends its influence it promotes authoritarianism, denying to others the freedom and democracy it also denies its own people. That may indeed be the prognosis for the more distant future.

Fall 2019 Courses on China

Economic and political trends in China have recently been moving in opposite directions. Imagined enemies: China prepares for uncertain war. Asian Thought and Culture; Vol.

China Unbound

New York: Oxford University Press, 1989 , 1990.
