What does moral development mean?

Il faut pas être dépendant des machines! However, let one put to mind that theories such as that of Kohlberg and Gilligan are proposed elucidation for a class of phenomena.

The culture of morality (2002 edition)

Léa : ... Que le médecin soit là... faut pas le faire sur des patients qui ont un problème psychologique. The four major internal motivations for moral behavior as presented by personal social goal theorists are: 1 empathy; 2 the belief that people are valuable in and of themselves and therefore should be helped; 3 the desire to fulfill moral rules; and 4 self-interest. They value rules but also negotiate.

How Is Family Important to the Development of Morality?

Although Kohlberg insisted that stage six exists, he found it difficult to identify individuals who consistently operated at that level.

Moral Development

As one matures and grows in wisdom, a moral agent has to expand her moral horizon, that is, from simple fear and avoidance of punishment towards the highest stage which is based on universal principles. Paris : Éditions du Seuil.
