## The Occult Anatomy of Man

Every organ of the physical body is reproduced in the brain, where it can be traced by the law of analogy. The seven vowels to which the mouth gave birth were the seven spirits before the throne; also the vials and trumpets of Revelation.

## The Spiritual Anatomy of Man and King Solomon's Temple — Southern California Research Lodge

We must first understand that all sacred writings are supposed to be sealed with seven seals.

## What is The Occult Anatomy of Man?

The treatise has a direct bearing upon the subject of anatomical symbolism, showing how the principles outlined in the preceding pages work out when applied to different world problems of today.

## Man Grand Symbol of the Mysteries, Thoughts In Occult Anatomy by Manly P. Hall

Connecting this with embryology, it is evident that the ladder or cord represents the umbilical cord, while the little island is the solar plexus.
