## Rule 1.6 Confidentiality of Information

Special circumstances, however, may warrant special precautions. Given the support expressed for the New South Wales provision, the Commissions argued it was in the interests of consistency and uniformity for the Commonwealth Act to adopt the New South Wales confidential communications provisions. It provides free legal representation for sexual assault victims in privilege matters in NSW.

## What Are Marital Privileges About Testifying in California?

In that situation only those employees who are responsible for seeking and receiving legal advice from the external lawyers, will be regarded as the client for the purpose of the legal advice given.

## The long read: legal professional privilege

Litigation privilege Litigation privilege allows a litigant to prepare for litigation without the fear that the documents produced for that purpose will subsequently have to be disclosed.

## Sexual assault communications privilege (SACP)

She was terrified of leaving her house, and spent the rest of the night in the shower. She started counselling about a week later and disclosed the details of the sexual assault to her counsellor. Communications between and within Government Departments and Agencies It is often a requirement for departments to disseminate information which is capable of being privileged to other departments and agencies who may be involved in, or have a particular interest in, a transaction or matter.

## Rule 503: Lawyer

In these jurisdictions, the privilege is only available in civil proceedings.

## **Understanding Legal Professional Privilege**

The information provided on this site is not legal advice, does not constitute a lawyer referral service, and no attorney-client or confidential relationship is or will be formed by use of the site. When Martin first left Sue, he emptied out a joint bank account and placed that money in a separate account in another state. Exceptions to confidentiality will be discussed momentarily.

### **Privilege—solicitor and client confidence**

The High Court held that privilege was not waived by the disclosure because the privilege was that of the body politic, the Australian Capital Territory. She received a subpoena from the District Court for all records relating to Nikki, who has attended the hospital on several occasions.

### **Legal professional privilege and communications**

Please reference the Terms of Use and the Supplemental Terms for specific information related to your state. SACPS lawyers have been specially trained and can go to any criminal court in NSW. Likewise, to retain the client's trust and do his job properly, the attorney must be allowed to withhold from the court and opposing party private communications with the client.
