In a spiritual place, people find peace in their mind kokoro , as in their homeland. The blue sky encircles and transcends the massive white statue.

Church of the Light, Osaka by Tadao Ando

Approached by French magnate François Pinault to renovate two disparate but equally high-profile and challenging Venetian structures to house his peerless collection of contemporary art—the Palazzo Grassi and the Punta della Dogana—Ando deftly employed his signature process to produce two elegant interiors from highly complicated historic sites. Nemzetközi áttörése 1976-ban következett be, az Azuma-házzal.

Tadao ando

Tadao Ando: Buildings, Projects, Writings. Based in Germany, he is fascinated by architectural lighting and works as an editor for the lighting company ERCO. Access to the sanctuary is not immediate: once again, basic geometrical elements oblige the visitor to take a route which only gradually leads to the place of worship, offering continual surprises along the way.

Ando, Tadao

Our first idea was to restore the greenery, more specifically to hold a flower exposition there and to develop the idea into a permanent garden.
