It is very similar to a concept a friend of mine used years ago that I had forgotten about. Please strengthen and guide us to share our convictions and experiences with others.

Don't Sweat the Small Stuff ... and It's All Small Stuff: Simple Ways to Keep the Little Things From Taking Over Your Life by Richard Carlson

H-Urdu speakers might like my idea for use of fairly general verbs in the construction of more complex ones.

Carlson, Kristine 1963

And I liked using categories of person and sublocations to encode multiple elements with a single concept. Wrt your specific question, I would learn multiple-character words in two layers.
