Society of Animal Artists: Dr. David Wagner and Art and the Animal

He has been the recipient of the prestigious John Lanzendorf Paleoart award for sculpture, presented by the Society of Vertebrate Paleontology, four times. Chris Maynard, Washington, elegantly portrays a flock of dunlins carved from turkey feathers.

Woodson Art Museum Presents 2016 Birds in Art Exhibition

Thirty American artists from throughout the U. Thank you, Derek, for sharing that with me.

Society of Animal Artists: Dr. David Wagner and Art and the Animal

Before painting wildlife, John painted figurative works and portraiture, which he still undertakes. Though I've worked with wildlife artists for 35 years, I've never before experienced something like this, particularly in the U.

Statement The Museum Publishers The Museum Classifications LC Classifications 1987 The Physical Object Pagination xvi, 120 p. Besides for

the pieces of art that are on display, the sculpture garden is also worth visiting because of its beauty, tranquility, and uniqueness of the sculptures. Both rely on careful observation, practiced visual memory, speed, and instinct.

Summer Highlights

The Annual Exhibition is juried by leading members of the Society of Animal Artists each year in New York City. Lindsay's work has been exhibited at the Natural History Museum in London, England and been auctioned at Christie's and Sotheby's in London. To complement the fountain, Walter produced a bronze wall frieze for the Blair House in 1992.

Leigh Yawkey Woodson Art Museum

When you get inside their collection is large and has a wide variety of mediums and interest. She also works in clay, wood and stone.
