NYSDOS Division of Local Government Services

The LGE Program has assembled a collection of dissolution studies, plans, propositions and other related documents. The Office of Attorney General does not make any promises, assurances, or guarantees as to the accuracy of the translations provided. PDF, 28 pgs This publication discusses submission requirements, review standards and development considerations.

Publication Catalog

PDF, 156 pgs This report quantifies the types of basic land use and regulatory tools--including zoning, site plan review, subdivision regulations, and written comprehensive plans--used by the 1,544 city, town, and village governments in New York State.

Numerical listing by publication number

For more information, see PUB-99-B General Information on New York State and New York City Income Tax Credits for Businesses. It explains the two procedures that may be triggered when a municipality wishes to change the way it uses parkland, 1 parkland alienation when a municipality wishes to sell, lease, or discontinue municipal parkland and 2 parkland conversion when a municipality wishes to sell or otherwise convey funded parkland to another entity, or if the funded park will cease to be used for public outdoor recreation.

Numerical listing by publication number

This relationship is not a simple mechanical one, but rather involves complex structures reflecting the complex interconnectedness of race, gender, and class oppression which characterizes that society. New York: Oxford University Press, 2002. Does not address cooperative or condominium housing issues.
