Stephen Davies, "The Levellers and the Emergence of (Some) Modern Political Ideas" (November 2019)

Captain Thompson escaped only to be killed a few days later in another skirmish near the community at. In other words, they were excluded from the sphere of politics or collective decision-making -- or at least collective decision-making that encompassed and bound the entire political community. In his statement he continually harped on the remorse that he felt for the bad ways into which he had led the other mutineers, and then after he had commended his penitent soul to the mercy of the Lord, an officer came forward with a last minute pardon, which was no surprise to most of those in his unfortunate audience.

The Levellers and the English democratic tradition (1976 edition)

Most of them were small independent tradesmen, tenants, farmers, artisans and some casual labourers. These debates, known as the , were held in , in the county of between 28 October and 11 November 1647.

Stephen Davies, "The Levellers and the Emergence of (Some) Modern Political Ideas" (November 2019)

It is true that there were Marxist historians of importance working in the pre- and post-Second World War periods. This was particularly so in the North of England where opposition was brutally suppressed. In reality, he had a radical mind, which is very well displayed in this still vibrant history of socialist and democratic thought in the English Revolution.

Many ex-servicemen were forced by poverty to sell these certificates to speculators at a fraction of their value, and Parliament itself was actually participating in this mean robbery by employing agents to buy back its own IOUs at three or four shillings in the pound. This would involve a stiff march across country much rougher than it is today and would include a great part of the Cotswolds, a distance of over fifty miles.

International Significance of the Levellers and the English Democratic Tradit...

Corporal Perkins proudly averred his beliefs at the execution wall and it would be reasonable to assume that his example influenced most of the others. Would it not be nearer the truth to say that, when the Bolsheviks adopted similar methods in 1917 against the ex-landlords, White Guards

and grain speculators, they were influenced by the ideas of these revolutionary Englishmen of the 17th Century? There is a dearth of material on women's struggle now. The book works well on several levels.
