**Artículos de revistas:**

Th is research uses descriptive quantitative approach. Hassan banyak menekankan pada pendidikan adab yang dikenal dewasa ini dengan istilah pendidikan karakter. Teknik analisis data dengan metode interaktif

**Artículos de revistas:**

Sehingga pendidikan adab berkontribusi dengan membantu mengarahkan segala bentuk pendidikan kepada nilai-nilai Islam dengan tidak menafikan kebutuhan dunia.

**Artículos de revistas:**

Resumen Full day school merupakan sekolah yang memberlakukan jam sekolah secara sehari penuh. I propose historical inquiry as a form of translation, to look for ways of understanding difference and engaging across it that may or may not be the same as European cosmopolitanism.

**Artículos de revistas:**

It is the purpose of this paper therefore to reconsider this question by proposing an analysis that attempts to show how and why the term da'b and the concept adab refer to two different domains of experience and proceed from two different and separate thought systems.
