The European Reformations (Second Edition)

The storyline sets the initial Reformation in the context of late medieval social, economic, and religious crises, and traces its differentiation through a series of internal and external crises into various Reformation movements which acquired specificity through confessionalization. Even the dying Paul III had recommended him. Lutheranism established itself in northern Germany and Scandinavia and for a time exercised a wide influence both in eastern Europe and in the west.

5 Causes of the Protestant Reformation (Besides Indulgences)

Schism in Church: ADVERTISEMENTS: The Schism in church in the fifteenth century also greatly lowered its prestige. Protestant sects spread across Europe.

History of Europe

However, Luther and the other reformers became the first to skillfully use the power of the printing press to give their ideas a wide audience.
