By 2030, All Baby Boomers Will Be Age 65 or Older

And here it is: 5 stars! Get 'em while they're smoking hot. Some countries may report national totals separately from their interior jurisdictions, so numbers for countries and their jurisdictions may not always match. But last April the number stood at 21,687.

Italy MillionDAY results

I think with that one Pohl was just trying out a different kind of style of writing? Flattening the curve involves reducing the number of new COVID-19 cases from one day to the next.

• Oil consumption in barrels per day 2019

Shots are currently being reported at an average rate of 6. That stepbrother, Warren Griffin III, would eventually become rapper Warren G. Knowing about the number of people age 65 and older is important for tribal, local, state and federal lawmakers.

Daily Million Results: Today's 2pm & 9pm Draws

There have been over 20. In 1966 Rogue published one of the classics of 20th century SF, a short story named Day Million.

Mega Millions

Local governments and the CDC sometimes report different totals for the same jurisdiction; in these cases Bloomberg uses the higher number. This narrator questioned, and even at some points, attacked this readers sensibility. The theme of nothing is what it seems becomes apparent in the very introduction to the story.
