## William Shakespeare

Olivier's film incorporates a few scenes and speeches from Shakespeare's Henry VI, Part 3 and Cibber's rewrite of Shakespeare's play, but cuts entirely the characters of Queen Margaret and the Duchess of York, and Richard's soliloquy after seeing the ghosts of his victims. Good lords, conduct him to his regiment: 3575 I'll strive, with troubled thoughts, to take a nap, Lest leaden slumber peise me down to-morrow, When I should mount with wings of victory: Once more, good night, kind lords and gentlemen. ## Shakespeare et les traducteurs or Shakespeare in French

## **Shakespeare's plays**

Toward Ludlow then, for we'll not stay behind.

## **Hamlet and revenge**

What sights of ugly death within my eyes! Nevertheless, it is a great step toward the tragic resonances of the major plays. Tyrrel tells Richard that the chaplain of the tower took care of matters. One of the reasons there are textual problems is that there was no copyright of writings at the time.
