Location filming in Alabama was delayed by inclement weather; during the Calloway circus scenes filming, a tornado watch was issued and flooding on the set interrupted filming for several weeks.

## Big Fish

To let everyone have their freedom! The director then decided to cast around for the two actors in question. My fingers tingled, and then my whole body, and I sat on the edge of the thwart and waited for a strike.

## Fish'n' ships

In college, August's father died, and like Will, August had attempted to get to know him before his death, but found it difficult. Each one has a distinct moral or life lesson — and as mentioned in the film is obviously a nod to bible fables.

We were so emotionally charged and moved by the imagination and humanity that we felt because of the movie.

## MOTHERS OF THE BIBLE

The film premiered on December 4, 2003 at the in Manhattan. I had a funny feeling inside and I guess I wanted to cry too. I could see grey light in the sky through the window.

## MOTHERS OF THE BIBLE

Burton commented that he was impressed with Lohman's performance in 2002. All the Gospel writers tell a version of this event. Burton later compared McGregor's acting style to regular colleague.
