Goodyear History

It is OK to say that we should go to you, Mr MacKenzie, but customers must be dealt with efficiently and professionally if they go to NIW as a first point of contact.

1992 Conservative Party Manifesto

We are installing what we call a hawk-eye device that shows whether a combined sewer overflow is discharging in dry weather. We have pushed successfully for an EC ban on large-scale drift nets that threatened dolphins, and we support the UN resolution calling for a moratorium on their use.

Northern Ireland Assembly Public Accounts Committee

And the challenge for the 1990s is to step up the fight against lawlessness and violence, so that our citizens can live free from fear. Had there not been change, a couple of issues in Water Service would have had a big impact on the Executive's funding position.

Towards a System of Systems Concepts

We intend to take all these initiatives further and offer parents more choice in the new Parliament.

Russian Railways

The methodology used in England and Wales ignores what we call upper-tier limits.
