Appeals Mechanism in International Investment Disputes (豆瓣)

Before that, he was Director of UNCTAD's Investment Division. During this time, we have made some of our learning resources freely accessible.

Appeal in International Arbitration—an efficient and affordable arbitral appeal mechanism

Under the terms of the licence agreement, an individual user may print out a PDF of a single chapter of a title in Oxford Handbooks Online for personal use for details see and. The authors also seek ways to streamline and improve the system, channeling the benefits of free trade and investment flows to people in both the developing and emerging markets. Appeals Mechanism in International Investment Disputes brings together significant contributions from leading voices in academia, the legal profession, and government on the increasingly important topic of international investment and the legal system in which it operates.

Appeals Mechanism in International Investment Disputes

Then it critically examines the various arguments on the question of whether such awards should be subject to appeal. It argues that although the tendency of limiting the ability of a dissatisfied party to appeal to national courts is essential to international arbitration, arbitration institutions should propose arbitral appeal services. Finally, the different existing arbitral appeal mechanisms are examined and an efficient and affordable model of arbitral appeal is suggested.

Appeals Mechanism in International Investment Disputes

This article is proffered mainly as a framework paper focusing on some key issues. It reviews the history of arbitration and its feature of finality of the awards.

Appeals Mechanism in International Investment Disputes (豆瓣)

Its special emphasis is on the question of an appellate body for international investment disputes.
