## ADHD Reading List for Parents, Teachers and Advocates

This section contains a selection of resources targeted specifically at teacher working with ADHD students. Specializing in... Erica Allen specializes in clinical treatment for adolescent mental health issues, particularly those of adolescent females, and parenting issues.

### Overview

In , a federal District Court found that compensatory education was an appropriate remedy for the district's failure to provide FAPE and ordered the district to pay for Kevin's education at a private school until age 22. Also recommended are study strategies to improve organization, time management, and note taking, as well as social skills tips to help students get along better with others.

### ADHD Educational Advocate: Legal Help

Has the child fallen further behind? Exercising or taking a walk at lunch or during breaks. Ruth Heitin, independent educational consultant, describes common areas of disagreement between parents and schools and offers suggestions and strategies to handle these problems.

### Wrightslaw

Adults with ADHD often cope with difficulties at work and in their personal and family lives related to ADHD symptoms.
