As I have no transcript of the piece in question, the following plan of the title of the interlude as written, is merely from recollection: the four lines succeeding I remember were spoken by Richard the Third, on the appearance of the Devil. It has its name, I suppose, from the nutation of its motion. In answer to this, my reply is, that the then unsettled state of my mind incapacitated me even from thinking coolly on any subject.

William Wells Brown, 1814?

THE next morning found us, with the indomitable pluck of Englishmen, once more upon an outside car, as doggedly determined as two old Whigs never to resign our seats. The three townships were all more or less settled prior to 1770, but, except in the case of the Maugerville immigration of 1763, it is not now possible to determine the date of the arrival of the settlers.
