Crime Control, Prevention and Punishment

Supporters of suspension argue that, like any other disciplinary action, suspension reduces the likelihood of misbehavior for the period immediately after suspension and that it can serve as a deterrent to other potentially misbehaving students.

The Development of Delinquency

Control and cultural deviance theories are easily integrated with each other. Loyola of Los Angeles Law Review 176, 2 1. Or is having a child when 1.

Difference between juvenile delinquency prevention and juvenile delinquency control?

A large number of studies report that delinquents have a lower verbal IQ compared with nondelinquents, as well as lower school achievement Fergusson and Horwood, 1995; Maguin and Loeber, 1996; Moffitt, 1997. In their review of many studies investigating relationships between socialization in families and juvenile delinquency, Loeber and Stouthamer-Loeber 1986 concluded that parental neglect had the largest impact. Society expects the system to be efficient and quick, but the protection of individual rights and justice fairly delivered.

Delinquency Management

Nearly every study describing the influence of acculturation upon adolescent problem behavior has documented significant direct relations, both cross-sectionally and longitudinally.

Delinquency

Control theory states that juvenile delinquency is the result of weak, absent, or ineffective social controls Weis and Hawkins, 1981. Community variations may account for the fact that some varieties of family life have different effects on delinquency in different communities Larzelere and Patterson, 1990; Simcha-Fagan and Schwartz, 1986.

Petersburg Juvenile Community Crime Control Program

Although few believe that the media operate in isolation to influence crime, scientific studies show that children may imitate behavior, whether it is shown in pictures of real people or in cartoons or merely described in stories Bandura, 1962, 1965, 1986; Maccoby, 1964, 1980.
