## Pakistan Television Corporation

Due to their dominance in both print and broadcast industries all three media groups are very influential in politics and society. This assessment however proved to be wrong as the media and in particular the new many new TV channels became a powerful force in civil society. From 1981 to 1982 stations and transmitters were also established at , and.

## Mass media in Pakistan

In fact, this is the primary reason why Pakistan is today singled out in the Region for exemplary growth of media.

## Days of glory in Radio Pakistan

However, the Press Council never came into operation due to the reservations of the media organisations. FM broadcast licenses are awarded to parties that commit to open FM broadcasting stations in at least one rural city along with the major city of their choice. .

## The Organizational Structure of a Radio Station

The book comprehensively covers the art history of Sindh since 1955 as the history of art of in Sindh during this period is closely related with the history of Radio Pakistan, Hyderabad. Mauryan Empire: Foundation of the Mauryan Empire, Chandragupta, Kautilya and Arthashastra; Ashoka;

## History of Radio in Pakistan

There was no radio station in the capital of Pakistan, in 1947. To break the monopoly, NBC and CBS were created and became the first radio networks in the late 1920s era. He offered the invention to the Italian government but they turned it down.

## Mass media in Pakistan

Religious programming was not limited to recitations from the Quran and included readings from the Geeta, the Tipiaka and the Bible. This was followed by new radio stations at 1951 , 1956 , a second station at Rawalpindi 1960 , and a receiving centre at Peshawar 1960.
