## Arthur John Hopkins (AC 1885) Papers, 1846

The youth, so accoutred, and so assisted, gains an easy victory over his uncourteous and boastful antagonist. At a dinner table he would, in a fit of absence, stoop down and twitch off a lady's shoe. The Western Church used the term filioque which meant that the Holy Spirit had a double procession, from the Father and the Son.

## A Guide to the Papers of the Williams Family, 1798 (1802

He also relied on his own moral categories, reevaluating the worth of the historical figures in light of his own convictions that individuals should take personal responsibility for the fate of society. The doctrine of the church ecclesiology also rose as an important subject, especially concerning its holiness.

Terms of Access and Use: Restrictions on access: There is no restriction on access to the Arthur John Hopkins Papers for research use. There he with difficulty supported his wife and children on what he could earn, partly as a curate and partly as a farmer.

## Moore, Blount, and Cowper Family Papers, 1834

Others are so feebly and rudely executed that they can hardly impose on an intelligent schoolboy. An attempt was made to maintain the original order of the genealogical material as created by Halicia; as a result, the record series is loosely arranged mostly by family name , although all of the material is related because the family trees include Halicia.

## Frank Nash Papers, 1726

On this occasion, however, genius triumphed.

The time drew near at which Johnson would, in the ordinary course of things, have become a Bachelor of Arts: but he was at the end of his resources.

### **Miscellaneous**

By the public the Rambler was at first very coldly received. Reynolds had been so much moved by the news that he had flung aside his brush and palette for the day. By the time Nestorius came on the scene, the theotokos term was actually accepted in a proper theological context.

He would have thought it a sin to borrow any time from the serious business of his life, from his expositions, his controversies, and his lace tags, for the purpose of amusing himself with what he considered merely as a trifle. There is also an 1896 letter-press copy-book of financial statistics. The papers include chiefly autobiographical and biographical material about Adolph Joachim Sabath, collected or written by fellow Czech immigrant J.
