About the Book

If we had to vanish tomorrow, what would we want as our legacy? Each speaker shares the wisdom gained, and distills a life of inquiry, reflection and service into important guidance for successive generations. In 1989, she was the first recipient of the Kutak-Dodds Prize awarded by the ABA Standing Committee on legal aid, and indigent defendants, and the National Legal Aid and Defender Association.

30+ quotes from The Last Lecture by Randy Pausch

He thought hard about how to define himself: as a teacher, a computer scientist, a husband, a father, a son, a friend, a brother, a mentor to his students.

Last Lecture

It was a summation of everything Randy had come to believe.

Moggridge, who designed the first laptop computer and was the co-founder of the design firm IDEO, was an enormously influential figure in the worlds of design and technology, beloved by all who knew him. The day August 15, 2007 Randy Pausch got the devastating news that his cancer had spread and there was nothing the doctors could do anymore, is the same day that we arrived at MD Anderson with my father in law, knowing things were not right. ؟ دیوار ها مانع ما نیستند.

The Last Lecture by Randy Pausch

Randy dream became a possibility when he learned that NASA had a program in which college students could submit proposals for experiments on the plane. Soon after, the emails began to circulate with links to the last lecture on utube and I watched every link I got and cried even more. There are ten major explanations for this situation.

And By making a win-win deal, he managed to get on that plane, almost four decades after floating became one of his life goals. Alas, Professor Pausch does not realize that he was born white, male, middle income, in exactly the time in the 20th century where he could avoid confronting WWI, WWII, the depression, Korea, Vietnam, urban riots of the 1960's, the civil right movement, and the women's movement because he was too young. While Pausch claims that his lecture and memoir were intended solely to teach his children important life lessons, his uplifting insight has clearly affected a much larger audience.
