Islam is a code of life.

It is this submission which is called Islam, the result of Man in actual life.

Islam A Code Of Social Life

Man has also been invested with free will and the power to use the resources of the world however he likes. The following equation can be used to calculate the Hijrah year in which the corresponding Gregorian year began: A.

Islam is the Complete Code of Life : Islamreligionguardian

They will not be subjected to any racial, national or class distinctions. Moreover, besides kindness in general, Allah has given the rights to women which the women of west have come to gain not more than a century ago.

The Social System of Islam

They also undertake to accept, without question, His word as to what is good or evil, right or wrong, permissible or prohibited. And if we know the baths do face the direction of the qibla, is it permissible for us to use them?. In order to guide mankind to the Right Religion, Allah has completed His Divine Favor upon us by making Islam the Perfect Religion.
