## Ghost Story (TV series)

The fictional district of Mummerset, a portmanteau of 'mummer' and 'Somerset', is named after a stage dialect supposed to represent a generic West Counties accent. Cabot's introductions were filmed in the near San Diego, California.

## Castle Fear

He opens a door that leads to a cabin in the woods, and sees a wood-chopping man who beckons to him.

## Castle of Fear by Priscilla Hagon

Ghost Story dealt exclusively with ghosts, vampires, witches, and other supernatural elements.

## 5 Levels of Fear at the Scariest Haunted House in Utah

Our knight is very brave but maybe she would need our help in dealing with this situation. Special Thanks: Thanks to Fireguard for the plot summary and ending count. The ages-old nemesis of the much more famous Sontarans, these formless shape-shifters have made remarkably few physical appearances within Doctor Who adventures in any medium, but their very essence is one oozing with untapped potential.
